In the summer months, girls may wish to wear a blue and white chequered summer dress.

### P.E Uniform for Boys and Girls

- In the Winter months, navy blue jogging bottoms are advised for outdoor P.E

### Please can families support the school by:

- Purchasing footwear that is suitable for playing and learning. Please ensure that they are black or patent leather and have straps or laces. Ballet pumps, heeled shoes and trainers aren't suitable as school shoes, (including black trainers with sport logos on the side), so please keep them for the weekend.
- Ensuring that girls wear small, plain hairbands and clips to tie their hair on P.E days. Headscarves and head wear are able to be worn, for religious observance.
- Keeping nail varnish to the weekend and not for school.
- Labelling everything, so that we can return any misplaced items to their rightful owner.

### A Little Request

Please don't allow your child to wear jewellery to school apart from small studded earrings and watches. If your child wears studs to school, please make sure that they can take their earrings out independently for P.E.

Other items of jewellery that are worn for religious reasons are allowed, but please make your child's teacher aware to avoid any confusion.

**If you require further information about our school uniform, please speak to a member of the team or read the full policy on the school's website [www.pinehambarns.school](http://www.pinehambarns.school). Thank you for support, we look forward to seeing the children in their uniform on the very first day of school.**
