

Newsletter Number 17 – Friday 27th May 2022

It has been yet again an incredibly busy week at school! The children all had a fantastic day celebrating the Queen's Jubilee and took part in lots of different activities to celebrate this occasion. We have also had Year One assemblies this week and the children were so confident, I know lots of the parents enjoyed their performance and were very proud of them.

Year 5/6 have had a cooking masterclass at Bells with Burnt Lemon. They were absolutely amazed by the experience and thoroughly enjoyed cooking their pastries with James and Hannah from Burnt Lemon. Today, Year One have been to the Black Country Museum and by all reports are having a superb time.

September Staffing

As we move towards the end of the academic year, I just wanted to begin to update you with plans for next year. We are incredibly fortunate to have such an amazing team who are very talented; this year we will be saying goodbye to a few of them as they move on to new ventures within our Trust to share their experience from September.

We will be saying goodbye to Mrs Kerr and Miss Hendrey who both currently teach in Early Years. They are both a huge part of our team and will be sad to see them go, but wish them all the best for the future. We would like to thank them for their dedication and commitment to our children.

From September, Mrs Dell will return to being the Early Years Lead in Reception and will be working alongside Miss Randall. Many of you will know that both Mrs Dell and Miss Randall are experienced Early Years teachers and are very much looking forward to welcoming our new Reception children and their families in September.

Finally, I know many of you are keen to learn who will be your child's class teacher from September and the children will find out their class teachers in July. The children will also have an opportunity to meet their new teacher and spend some time in their classroom before the end of the academic year.

Class Assemblies

Please see the dates below of the upcoming class assemblies for you to come and watch, we look forward to seeing you all there.
